The Safest Investments

Are those that do not fluctuate during dis-turbed conditions of the money or stock markets. First deed of trust notes (first inortgages), well secured on real estate in the District of Columbia, constitute "git-edge" investments, and do not depend upon the financial responsibility of individuals or corporations for their stability. We can supply such investments in amounts from \$000 upward. Bend for booklet, "Concerning Loans and Investments."

Pumpkins and cranberries Appear.

Cucumbers Scarce.

Pumpkins and cranberries, harbingers of Thankagiving Day, have arrived on the local markets. The pumpkins are selling at from 15 to 25 cents, and ticcranberries are bringing 15 cents a quart.

Cucumbers are very scarce, selling at 36 and 15 cents for the same quantity that could be bought last summer for as low as 1 cent. The same quantity that could be bought last summer for as low as 1 cent. The meat market is showing signs of a drop in the near future. One dealer at Center Market yesterday stated that if the present heavy supply continued and the demand did not increase, the and the demand did not increase, the and of the demand did not increase, the entry drop so far.

Peaches are much scarcer and show an increase in price. Guiness are very scarce and few dealers are able to furnish them. Those that can be found are commanding \$1.25 a pair. Fish are reported a little scarcer, but no advances in prices laws been made.
